This Policy Statement on Health, Safety and Welfare at work and the associated procedures for carrying out the Policy Statement, is made under Section 2 (3) of the Health and Safety at Work etc. Act 1974, and is brought to the notice of all employees and contractors undertaking the services of DRLC Ltd (The Company).

This Statement recognizes the Company's obligations under the Health and Safety at Work etc. Act 1974 and the Company's approach to Health and Safety is based on the clauses set out in the OHSAS18001. During the conducting of the Company's activities its representatives will ensure that they:

- Protect the health, safety and welfare of its employees and others that may be affected by their activities
- Limit adverse effects on and adjacent to the area in which those activities are carried out
- Meets its responsibilities as an employer to do all that is reasonably practicable to prevent accidents, injuries, ill health and damage.

The Company will also, so far as is reasonably practicable:

- Provide and maintain safe working environments that are without or controlled risks to health, safety and welfare.
- Set standards that comply with the relevant statutory requirements relating to health, safety and welfare with regard to the effect on employees, contractors, visitors and the public
- Safeguard public and others from foreseeable hazards connected with work activities, processes and working systems
- Ensure that when new substances, plant, machinery, equipment, processes are introduced, adequate guidance, instruction, training and supervision are provided for safe methods of work to be developed.
- Train all staff to be aware of their own responsibilities in respect of relevant health and safety matters and ensure they participate in the prevention of accidents and co-operate with measures taken to prevent industrial disease.

Ensure that contractors undertaking work for the Company are informed of the relevant standards required and are monitored to ensure compliance without detracting from the contractors' legal responsibilities to comply with statutory requirements.

Promote good health and be concerned with the prevention of occupational and non-occupational disorders and diseases.

Co-operate with appropriate authorities and Professional Bodies to ensure policies are updated and standards reviewed to reflect best practice.
